Why your participation matters: For 11 years the CRC has partnered with the Manchester Chamber of Commerce to cohost this community event in support of both the CRC and the Chamber. For the CRC, your registration fee helps buy healthy foods to stock the pantry for 12-15 families each week. It also helps keep the lights on, the computers fired up, and the resources and referrals flowing for our customers in need. For the Chamber, the proceeds help draw in visitors and business to the Manchester community by promoting our one-of-a-kind special events, beautiful natural resources and quaint downtown business district. The strength and vitality of a community and its people are directly impacted by the involvement of its citizens.

Mission Statements:

The mission of the Community Resource Center is to serve individuals and families in need by offering effective programs that improve their lives, promote volunteerism, and enhance the welfare of the Manchester community.

The Manchester Area Chamber of Commerce serves to promote and stimulate the commercial vitality of its members, who consist of local businesses, service organizations and individuals located in or near Manchester. Our goals are:

- To sponsor and host business and social activities which educate the public on members' products and services
- To increase traffic and commerce in Manchester
- To inform members on best business practices and educational tools available, and
- To speak as a unified voice concerning matters affecting our members.
