GREETINGS!

To ALL…

Tuesday, September 5th, we **Welcome** you back to our twice-weekly lunches prepared and served at Emanuel UCC on Main St. in Manchester. Meal time is noon. However, come early, find a seat, grab a cup of coffee, perhaps dessert first, and visit with your friends and neighbors. If you don't see a familiar face when you enter, you will know several of us before you leave!

The BEST news from the August MASCC, Inc. Board meeting is two-fold:
Larry Lehmann was voted in as our new **President**, taking over after the passing of our former President, Bonnie Hertler.
(We all miss Bonnie and her up-beat, encouraging attitude.)
And, secondly, **Margret Heckaman** consented to fill the vacant seat on the Board.
Many thanks to Larry and to Margret.

Jan Steinhauer is now our Thursday afternoon in-house Entertainment/Education Director. Please refer to page 2 for the programs she has lined up for September.

On a more somber note, we reflect on the recent passing of Manchester friends: Norma Stautz, Dorothy Moore, and Bernita "Bud" Aiuto.

Norma was a kind, gentle woman very much involved in the activities of Manchester through her Church, Emanuel UCC, Scouts, School, the Manchester Fair. As a member of the MASCC, Inc., she served on the Board. Norma and Wilma Lentz comprised the Activity Committee for several years. I remember, with a chuckle, how she stayed true to character as Auctioneer for the White Elephant Auctions. After warning us about how we should behave, she admonished us not to "spit on the floor"!

Rest in Peace, Norma!

Dorothy is also remembered as a member of the MASCC, Inc. and of Emanuel UCC until her relatively recent relocation.

Rest in Peace, Dorothy!

Bernita "Bud" lived the majority of her life in Manchester and was a lifelong member of St. Mary's Catholic Church. Bernita has ties to the MASCC, Inc. thru her participation in the Tuesday Yoga classes.

Rest in Peace, Bud!

Do you have an interesting anecdote concerning our Bus?

Recently, the Michigan Department of Transportation (MDOT) received an email from the Federal Transit Authority (FTA) Region V Administrator, Marisol R. Simon, looking for stories that shine a positive light on transit to place on the FTA Blog site. The transit narratives can focus on a particular employee that has made a difference in your group.
If you have an idea to share, please let a Board member know and we will see that it gets to the MDOT project manager. The FTA staff will help "flesh it out", but the initial message must come from you. We are confident that many of you, bus riders, have positive tales to share from your trips.

Looking Ahead...

**State Representative Donna Lasinski Democrat of Scio Township donnalasinski@house.mi.gov will join us at lunch on Thursday, November 16 to speak about House Bill 4162(2017)-allow townships to create special assessment districts for communications infrastructure including broadband and high-speed internet. Come with your questions. Who will this bill impact? Projected cost?

The next **Turkeyville Dinner/Theater outing is on Friday, December 15 for a performance of "Rockin' Around the Tree". Check the Trip Book.
