

Haitian Artisans for Peace International

'Transforming Haiti through the empowerment & advocacy of women'

Women's Empowerment - *Training and employing women to produce fair trade crafts*

In 2012, housed in a small house.....

In 2014, the artisans housed on 2nd floor of Merlet Center

Maternal Health - *Started a Clinic focused on maternal and Child Health*

In 2012, housed in a small two room house.....

In 2015, a 35 by 50 foot medical clinic with power, water, nursing staff and a doctor once a week.

Education - Started children program every Saturday; offer Computer Classes; launched "Start Right" program for expecting mothers and their infants; trained Haitians in construction practices including wiring and solar energy power system:

Before HAPI, no training.....

After HAPI has started education programs

Comprehensive Community Development - run by Haitians for Haitians

❖ **Built a 7,000 sq ft Community Center (Merlet Center) and a 1,500 sq ft Clinic, both powered by Solar Arrays.**

In 2012 (before HAPI), only an open field. Construction of the Merlet Center started

In 2015 both the Merlet Center and Felisane Clinic are operational.

❖ **Providing Micro Loans to groups for their micro-businesses ... and evolving a new future for their daughters**

Before HAPI, no loans.....
