Volume XXVIII, Number 2 February 2016

From the President:

Greetings.....My time as the Manchester Senior President is coming to a close, a new President will be elected at the February Board meeting. I hope I have helped in some ways to move the group forward into the future. I know that there are still many challenges to face and there is also a lot of hard work to accomplish within this group in order to maintain and improve the quality of activities, transportation needs, food, health & wellness for many of the Manchester seniors.

It is very exciting that we actually have 6 people running for the 5 open Senior Board positions. Please plan to come to our **Annual Meeting** which will be held on **Wednesday, Feb. 10th at 9:30 a.m.** in the **Senior Center Room** by the Police Station. You **ALL** have a vote as to who will fill the open Board positions. **PLAN TO BE THERE!!!**

At the Annual Meeting we will also be able to let you know about our Visioning Session that we held on Saturday, Jan. 30th and how we move forward from here with the goals.

Thank you for your confidence in allowing me to lead you throughout the past year. I have made great friends, learned tons and have a peek at the future as an active senior in the Manchester Community! The year 2016 will be an exciting year for the Manchester Seniors.

Make sure that you have a voice in it!

Holly Porter

AN OLDIE BUT A GOODIE
from Margret Heckaman:

WHAT'S UP?

"We've got a two-letter word we use constantly that may have more meaning than any other. The word is **UP**.

It is easy to understand **UP**, meaning toward the sky or toward the top of the list. But when we waken, why do we wake **UP**? At a meeting, why does a topic come **UP**? Why are participants asked to speak **UP**? Why are officers **UP** for election? Why is it **UP** to the secretary to write **UP** a report?

The little word is really not needed, but we use it anyway. We brighten **UP** a room, light **UP** a cigar, polish **UP** the silver, lock **UP** the house, and fix **UP** the old car.

At other times it has special meanings. People stir **UP** trouble, line **UP** for tickets, work **UP** an appetite, think **UP** excuses, and get tied **UP** in traffic.

To be dressed is one thing, to be dressed **UP** is special. It may be confusing, but a drain must be opened **UP** because it is stopped **UP**.

We open **UP** a store in the morning and we close it **UP** in the evening. We seem to be all mixed **UP** about **UP**. In order to be **UP** on the proper use of **UP**, look **UP** the word in the dictionary. In one desk-sized dictionary, **UP** takes **UP** half a page; and the listed definitions add **UP** to about 40.

If you are **UP** to it, you might try building **UP** a list of the many ways in which **UP** is used. It may take **UP** a lot of your time, but if you don't give **UP**, you may wind **UP** with a thousand."

ATTENTION ALL WHO WOULD LIKE SOMETHING ANNOUNCED IN THE TRUMPETER:

Please get your request/article to us by the 15th of the month. We don't want to miss a Church dinner or a Community activity because it did not come to our attention until after the Trumpeter went to press. Thanks!!

MASCC needs YOU...
