TIPS FOR A LIFETIME

From The Trumpeter November, 2000

Use a meat baster to “squeeze” your pancake batter onto the hot griddle. Perfect pancakes every time. To keep potatoes from budding, put an apple in the bag with the potatoes. To determine if an egg is fresh, immerse it in a pan of cold water. If it sinks, it is fresh, if it rises to the surface, throw it away. Cure for a headache: take a lime, cut it in half and rub it on your forehead. The throbbing will go away. If you have a problem opening jars, use latex dishwashing gloves. They give a non-slip grip to make opening jars easy. If you accidentally over-salt a dish while it is cooking, drop in a peeled potato—it absorbs the excess salt for instant “fix-me-up”. Stuff a miniature marshmallow in the bottom of a sugar cone to prevent ice cream drips. Ants, ants, ants everywhere.. Well, they are said to never cross a chalk line. So, get your chalk out and draw a line on the floor or wherever ants tend to march—see for yourself. Unclog a drain: clear the sink drain by dropping three Alka-Seltzer tablets down the drain followed by a cup of white vinegar. Wait a few minutes, then run hot water. Submitted by: Lenora Parr

PENNIES FROM GOD!!!

A man was wandering in the woods, pondering all the mysteries of life and his own personal problems. The man couldn't find the answer, so he sought help from God. “God? You there, God?” “Yes, what is it my son?” God answered. “Mind if I ask you a few questions?” the man asked. “Go ahead, my son, anything.” “God, what is a million years to You?” God answered, “A million years to me is like one second.” The man asked, “God, what is a million dollars worth to you?” God replied, “A million dollars to Me is worth one penny.” The man lifted his eyebrows and asked his final question. “God, can I have a penny?” God answered, “Sure, give me a second.” (These two goodies came from the Alpena Senior News, July 2000 and we thank them!)

DID YOU KNOW

"Hang on Sloopy" is the official Rock song of Ohio.

The only 15 letter word that can be spelled without repeating a letter is: uncopyrightable.

Clans of long ago that wanted to get rid of their unwanted people without killing them used to burn their houses down. hence the expression.....
"to get fired".

See you on the BUS this summer!!

Look for the September Trumpeter at the end of August. They will be in the usual businesses in the Village, Freedonia, Bridgewater Depot, Linda's Diner, etc. and, if you have provided us with your email or mailing address, in your inbox or mailbox.

See you September 4th, the first lunch!
