## Manchester Area Senior Citizens Council, Inc.

### Greetings to all...

The Manchester Area  
Senior Citizens Council,

Inc. thanks the many, many people from the area Churches who assist Ray Parcher, our Cook, with serving our twice weekly lunches and cleaning up afterward. Thanks, too, to those who ride the bus with our driver, Pam Miller, and deliver lunches to the homebound on Tuesdays and Thursdays. Your selfless service cannot be measured in dollars and cents. For all these folks, we are truly grateful. We would like to include names, but know that some of you could be missed. **Missing your name would not do!!**

If you are reading this and thinking this is something you would like to do, look up at the top of this page for phone numbers to call to volunteer. They are in the masthead. We would like to get to know you better.

### WISH LIST

We have donned our thinking caps to ponder what tools would make our Cook's, Ray's, tasks in the kitchen easier? At the same time, how can our meals be made more economical to prepare?

We think we have an answer in a **meat slicer**. Often, we can find a better price by purchasing a larger portion of meat. With our own meat slicer, Ray could custom cut our buy.

It is the Board's Wish to either start a drive to raise money for a meat slicer or to receive a donated one.

Is there a way you are able to help with this first item on our "wish list"? Thank you in advance for whatever you do. Have you other ideas for our lunches?
