## Manchester District Library (MDL)

### March Events

The Manchester District Library welcomes a new staff member this month. Stacia Serafin will come on board as the new MDL Youth Services Librarian on March 1st. Stacia has an extensive educational background. She comes to us from an internship with the youth department at the Ann Arbor District Library, where she also participated in community outreach programming.

After 16 fun-filled years serving as MDL's Youth Services Librarian, Ms. Karen will step into a new role and take on new responsibilities in the library.

In addition to new youth programming, MDL will also host the annual Manchester High School Art Show this month

MDL is hosting Bethany Stone of The Painted Owl art studio for a simple painting project — a fun St. Patrick's Day gnome on a 12-inch piece of wood.

The design will be pre-sketched; all you need to do is follow step-by-step instructions to paint it. Cost for the class is \$15 and advance registration is required. To see a sample of a finished project and register, visit [www.thepaintedowl89.com](http://www.thepaintedowl89.com) and browse Upcoming Workshops.
