### Turkey Stuffing Recipe

Here is a turkey recipe that also includes the use of popcorn as a stuffing ~ imagine that. When I found this recipe, I thought it was perfect for people like me, who just are not sure how to tell when poultry is thoroughly cooked, but not dried out.

Give this a try.

#### Ingredients:

- 8-15 lb. turkey
- 1 cup melted butter
- 1 cup stuffing (Pepperidge Farm is Good)
- 1 cup uncooked popcorn (Fancy Farm is the best)
- Salt & Pepper to taste

#### Instructions:

Preheat oven to 350°F.  
 Fill cavity with stuffing and popcorn. Place turkey in baking pan and brush the turkey with melted butter, salt and pepper.  
 Place prepared turkey in the oven with the neck end toward the front of the oven  
 Listen for the popping sounds. When the turkey's back end blows the oven door open and the bird flies across the room... It's done! Hope it gave you a good laugh!!

**Root Cause** is working with the **Ann Arbor Area Community Foundation** on a project to examine the aging experience for older adults (ages 55+) in Washtenaw County.

We are interviewing older residents and also recruiting residents to be our research partners, offering stipends for both. We are trying reach all areas of the county, and thus targeting Manchester right now. - back during “normal” times and now during the COVID outbreak: What are your dreams, and what worries you as you get older? How do you spend your time? How do you get around? Is it a challenge to cover your expenses and meet your daily needs?

**\$25 Stipend for a 1-Hour Conversation: We need adults 55+ years old in Washtenaw County to share your daily experiences with us!**

Please consider adding your voice to this exciting and important work! If interested, please contact Alekhya **Dholak** at: [achaparala@rootcause.org](mailto:achaparala@rootcause.org), or 617-475-1616. Thank you!
