Mother

*You gave me love and watched me grow
You taught me things. I'd needed to know*

*You comforted me and dried my tears
You gave me laughter throughout the years*

*You taught me to care, to be understanding
I know there were time, I was so demanding*

*Your Wisdom and strength, guided me through
Without your love, I don't know what I'd do*

*That constant faith you had in me
Has given me wings and set me free*

*Thank you so much, for just being you
All the love, the laughter
You're the best ~ It's True*

*Happy Mother's Day!
Love, Yesterday, Today and Forever*

May
May is the month
Of sunshine and flowers
Birds in their nest,
And one or two flowers.
Games to play and kites to fly
Or just looking up at the beautiful sky
We could spend a year this way,
If the year were made like May.

May Events
