Acorn Farmers' Market & Cafe is pleased to announce that we are closing in on determining an opening date for the new Manchester Market. COVID has its ripple effects has created new difficulties businesses opening. Shipping suppliers have all been markedly affected, and continue to make things difficult.

Our partnership with Iorio Gelato, Super Perky Pantry, and Grand River Brewery has been very beneficial. In many ways we have stood by and supported each other through the challenges, and we are grateful for their efforts.

When the store opens, we will have a multitude of shelf-stable items as well as fresh produce, a fresh meat counter, Italian gelato, baked goods, fresh coffee drinks, and more.

As a non-profit, Acorn has been given much community support in donations, grants, etc. We would like to thank the surrounding community and the various boards and institutions that have contributed.

Information on store positions (paid and volunteer) and how to become a vendor are all on our website: acornfarmersmarketcafe.org

For updated visit the website, and contact information can be found there as well. We also have very active Facebook and Instagram accounts that offer updates, tips, plenty of photo sharing, and more.

Thank you so much for all of the support, we look forward to seeing you soon!

Respectfully,

Kenny Frost
