Mission Statement:

To be of service and enhance the lives of the Manchester Area Seniors and the surrounding communities

With sadness we bid a Lawrence (Larry) Lehmann, January 25, 1949 – March 9th, 2025) farewell.

His journey from this earth began March 9, 2025.

A Celebration of Life was hosted by the Manchester United Methodist Church March 15, 2025. Larry will be remembered as a kind hearted, giving man, who not only was funny, he love to make people laugh. He never said, goodbye, he just said "Talk at cha later".

Larry graduated from Manchester High School in 1985. He was a machinist for over 20 years, proudly served in the U.S Navy. Larry also served as the Manchester Area Senior Citizens Council Board President on the for 7yrs and even after stepping down, was still a very active board member.

Larry enjoyed playing cards, especially Euchre, was a Michigan State fan, attending the fair, where he loved the tractor pulls, and was a NASCAR fan, which he attended numerous times. He was a dedicated member of the Manchester community, where he supported the sports teams, especially football, and volunteered for Senior Meals.

He was a devoted grandfather, who loved spending as much time as possible with his grandkids and helped care for them before and after school. His family was the most important thing in his life. Larry will be dearly missed by all who loved him, family, friends and the community. "Talk at cha later" Larry

The Manchester Mason's donated \$3,000 to the Manchester Area Senior/ Community Event Center. We are thrilled with this generous donation. As we look at completion of the Center, hopefully in April, we are purchasing all those last-minute necessary items (like signage, paper towels dispensers, trash cans. Health department inspection costs add up quickly. The continued support of our community is amazing.

It is with great pleasure to announce we have filled our last MASCC board position. Joyce Scroufe has joined our board and we welcome her and look forward to her contributions to the program. Welcome aboard Joyce.
